This short 'not-quite-a-newsletter' is going to all our current and past officers, and to those of you who registered for the 2005 Carlisle and 2006 Buffalo reunions. You are the members that have been our heaviest support.

There will also be at the end on this month a regular newsletter to all 300 (roughly) members of the Tri-State Chapter.

So we can get a head start, we ask your help with some information on the next page which should be sent to Ray Rudolph as soon as possible if you are plan or hope to attend the reunion. We also include here an extra copy of the form for the Holiday Inn and Reunion Pack registration. Please send your deposit check, \$50, to the hotel now if you have not done so.

I have become too much used to the Thursday Ice Cream Social and the Sunday Memorial Service as the 'bookends' to our reunions. And so I forgot to mention them in the March Newsletter. Yes, we will have both. Here is a list of all the events now planned.
